Itching Torture was Beyond Words—
Slept Only from Sheer Exhaustion—
Relieved in 24 Hours and

CURED BY CUTICURA IN A MONTH

"I am seventy-seven years old, and some years ago I was taken with eczema from head to foot. I was sick for six months and what I suffered tongue could not tell. I could not sleep day or night because of that dreadful itching; when I did sleep it was from sheer exhaustion. I was one mass of irritation; it was even in my scalp. The doctor's medicine seemed to make me worse and I was almost out of my mind. I got a set of the Cuticura Soap, Ointment and Resolvent. I used them persistently for twenty-four hours. That night I slept like an infant. The first solid night's sleep I had had for six months. In a month I was cured. W. Harrison Smith, Mt. Kisco, N. Y., Feb. 3, 1908."

CONFERENCE OF BAPTIST MINISTERS

Large Gathering at Third Baptist Church with Excellent

Papers—Annual Meeting to be Held at Groton.

The December meeting of the Baptist ministers of New London county was held at the Third Baptist church in Groton Tuesday morning and afternoon.

The meeting was called to order at 11 o'clock by Rev. William T. Thayer, pastor of the First Baptist church, and Rev. J. R. Very, pastor of the Greenville church, as president of the county association, took the chair.

Rev. G. R. Marston of Stonington, vice president of the association, was chosen secretary pro tem. In the absence of the secretary, Rev. C. M. Reed of East Lyme, after singing the Alexander hymn, God Will Take Care of You, Trust and Obey, and He Lifted Me, and prayers by Rev. Lucian Drury of North Stonington and Rev. Joseph E. Brown of New London, Rev. Mr. Thayer of the programme committee, whose other members are Rev. W. W. Potter of Jewett City and Rev. C. R. McNally of New London, reported, saying that the committee is about to plan work for the coming year and to present a programme when the plans are completed.

The roll called followed, each of the ministers answering to his name with some experience. During the month the clergymen present were Rev. William P. Newton, Rev. J. P. Brown, Rev. A. J. Chandler, Rev. J. R. Very, Rev. C. R. McNally, Westford, Rev. J. C. Lamb, Rev. H. B. Rankin, Noank, Rev. E. W. Potter, Jewett City, Rev. John G. Stanton, Moosup, Rev. Lucian Drury, North Stonington, Rev. G. R. Marston, Stonington, Rev. J. G. Ward, Lefingwell, Rev. P. C. Wright, New London, Rev. W. P. Newton, Rev. W. F. Nye, Rev. J. R. Very, Norwich, Mrs. W. F. Newton of New London, Mrs. E. W. Potter of Jewett City, Mrs. G. Ward of Lefingwell, and Mrs. W. T. Thayer of Norwich also attended.

Rev. H. B. Rankin of Noank was the speaker for the morning, and his subject was The Minister in the Prosecution of His Calling. The speaker found by his personal experience that he could do his best work and be most helpful by going outside rather than confining himself wholly to his own church work. This was followed by a brief discussion.

A chicken dinner was served in the vestry at noon by the following ladies of the church: Mrs. J. R. Very, Mrs. William Lund, Miss Marjorie Very, Mrs. George Howard, Mrs. William A. Richmond, Miss Mabel E. Hill.

The afternoon session began at 1 o'clock with prayer by Rev. Mr. Chandler. Rev. Mr. Thayer and others spoke in encouragement of correspondence with the various Baptist publications. The hymn, The Child of a King, was sung and a song, The Home Land, was sweetly rendered by Mrs. J. R. Very. The president, Rev. Mr. Very, then introduced Rev. P. C. Wright, who spoke for fifteen minutes on the subject, The Minister in the Exercise of His Rights of Citizenship.

CHARGED WITH NON-SUPPORT.

H. C. Wright Presented in City Court on New Complaint and Judgment Suspended Until Jan. 15.

In the city court on Tuesday morning H. C. Wright was presented on a charge of non-support, having been arrested on Monday evening by Police

man Smith. His attorney requested a continuance owing to another case before the criminal court of common pleas which it was thought might influence it, and it was postponed until Jan. 15. In the previous case he was given sixty days in jail and took an appeal.

There was another non-support case before the court, but matters were settled between husband and wife and the complaint was withdrawn.

AIR THAT KILLS GERMS

Your Money Back If Hyomei Doesn't Cure Catarrh, Says

The Lee & Osgood Co.

Don't be stubborn. Don't be prejudiced. There is not a particle of morphine, cocaine, or any other injurious habit forming drug in Hyomei.

Give it a trial at The Lee & Osgood Co.'s risk. It is made of eucalyptus and other grand antiseptics. It will chase away the misery of catarrh or any affliction of the nose and throat in five minutes.

No stomach dosing—just breathe Hyomei in. It gets at the catarrh germs and kills them all.

Go to the Lee & Osgood Co. today, and ask them for a Hyomei (pronounced High-o-mee) outfit. It only costs \$1.00, and consists of a hard rubber pocket inhaler, which can be carried in vest pocket, a bottle of Hyomei, a medicine dropper, and simple directions for use. Extra bottles 50c.

Leading druggists everywhere sell Hyomei, which is guaranteed to cure catarrh, bronchitis, coughs, colds and sore throat, or money returned.

If you could go to the Eucalyptus forests of inland Australia you would quickly get rid of catarrh. Hyomei brings the identical air of those forests direct to your home. It is a most wonderful catarrh remedy.

Folly of the Nations.

France, as well as the United States, England and Germany, is wrestling with a financial deficit; and the government proposes to cover it with a new tax on brandy, pending the tax on incomes now awaiting consideration.

The deficit in the French treasury is by no means as great as that of the United Kingdom or Germany, but it must be met by increased taxes or fresh loans.

All these accumulations of debt and taxes, increasing year by year, are caused by the enormous burdens of army and navy expenditures, which, unless arrested, must end in financial bankruptcy. No financial act, save that of imposing more taxes, and no appeals to patriotism and national pride can conjure away the danger.

The people of Europe in this misery will be unable to bear the heavy load, and they will shake it off by violence or revolution if there is no other way of relief.

Yet, despite peace congresses at The Hague, national expenditures and national debts are increasing to build unused ships of war and maintain immense standing armies of idle men.—Philadelphia Record.

To Be Expected.

Well, after the way William Tell and Betsy Ross have been treated, what could that cow, which did or didn't kick over the lamp that started the Chicago fire, expect?—Indianapolis News.

Another Problem.

After the question of Cook's latitudes and longitudes has been settled, scholars might tackle the mathematics of the ordinary combination magazine offer.—New York Evening Post.

EAST SIDE ITEMS.

More Launches Hauled Out—Personal Notes.

Contractor Casper K. Bailey was at work Tuesday at the Battleground hauling out Jack Harrington's big power launch, Kate, and two smaller launches.

Local friends of Harry Counihan have recently received postal cards from him in St. Augustine, Fla., where he is employed with his uncle.

Mrs. J. Elbridge Woodward of No. 530 Main street, who was seriously burned a number of weeks ago, is reported to be slowly recovering.

There were a number from this section of the city at the Preston City Baptist church Sunday morning last, where Mrs. Frank A. Roath gave an interesting address on Missions.

Describing briefly her recent trip around the world, the speaker emphasized her contact with various missions in the different places visited, showing the religious condition of the natives, together with the working of the missionary stations on the several fields.

Mrs. Roath returned from her trip more interested in foreign missions than ever before and feeling that more money as well as more prayer should be given this very important work.

YANTIC HAPPENINGS.

Sale by Ladies' Guild of Grace Episcopal Church Will Net Good Sum—Parishioner Makes Up Ogun Deficit.

On Tuesday opened a two days' sale by the Ladies' guild of Grace Episcopal church, it being held in the guild room, which is handsomely decorated. The Japanese tea room in one corner is presided over by Mrs. Marcus J. Simpson and Mrs. Howard Bishop in joint costume and tea, coffee, sandwiches and fancy cake are disposed of there.

Another corner is decorated for a candy booth with Miss Grace Marsden and Mrs. Arad Manning in charge. In the alcove a fancy table booth has been erected and many home made articles are on sale. Mrs. John Caswell and Mrs. Seymour Quibley are in charge.

The grabag is in charge of Miss Mary Rudd and is a huge Christmas stocking. There was a large patronage on Tuesday and the sale closes tonight with a supper. All of the articles were donated by members of the guild.

The sale had been arranged to pay for installing the new pipe organ, but one generous parishioner has made up all the deficit and what is made on this sale will be turned into the treasury.

Surrounding Towns

Waterford.—The fishermen of the town are quartering their boats for the winter. The past season has been a good one.

Noank.—The local shipyard is looking up. At present workmen are coming into town every day and about 70 more are needed. Preparations are being made to lay the keel for one of the new barges, which will be over 170 feet long.

New London.—Organist William H. Bush of the Second Congregational church, who dedicated the new organ in the Mt. Zion A. M. E. church in Jacksonville, December 5, was accorded a warm reception by the large audience that listened to his recital. Mr. Bush played today (Wednesday) at Fisk university in Atlanta Ga. He will return Sunday morning, December 13.

Somers.—Warren Richardson, 32, attempted suicide just before noon on Monday when he stood on a chair and dived through the northwest second-story window. He was found unconscious on the ground below with a deep cut in his head. It is thought that worry over his mother, who underwent an operation last week, may be the cause of his act.

\$50,000 in Half Hour.

The climax of Senator McNeill's investment came last Thursday when he cleaned up \$50,000 in less than half an hour. A United States government report was made public showing that the cotton crop was the same as since the civil war, and cotton jumped \$3 a bale. Then Senator McNeill sold some more.

Prior to this time he had turned into cash, holdings of cotton to the extent of \$250,000. It was generally believed by his friends that he was through and the fact that he had more cotton was a surprise. Whether he has sold out all his holdings now is not known, for he refuses to discuss the subject. Friends say, however, that they do not believe that he has held any considerable quantity.

Hunting Licenses.

The mere fact that 10,000 hunting licenses were taken out in Connecticut this year shows that shooting is a fad. There are not that many persons who love shooting for itself and at the same time have money and leisure to follow it. Certainly there is no place for most of the 10,000 to shoot, because the license carries nothing with it but the right to carry a gun. The question of where to shoot depends on others.

With a gun may belong to a club over the land of which he has a right to shoot, or he may have some land owner for the privilege of shooting over his land. Very commonly he does neither of these things, but goes out and becomes a trespasser at the best, and a deliberate poacher at the worst. This latter type makes the most of the trouble.

At the present rate it will not be many years before there is no more free shooting in Connecticut than there is in England, perhaps not so much, for some provision for that is said to be made there, as there certainly is some for free fishing.—Hartford Times.

Taking Big Chances.

A West Virginia man in his will asked that he be buried with wings, so as not to cause any delay at the final uplift. A bit nervy. If anything mischievous there's hardly anything nastier than the odor of burning feathers.—New York Evening Telegram.

\$300,000 IN COTTON
Made by Former Senator Archibald McNeill of Bridgeport—\$53,000 in Half an Hour.

Former Senator Archibald McNeill's successful plunge into the cotton market, which has justly yielded him over \$300,000 in less than one year, is being discussed among local investors who speculate in the stock market, for it is another demonstration of what can be done by wise investments, says a Bridgeport paper. He began to purchase cotton last December and has now practically sold out all his holdings at a phenomenal profit, and won a fortune in the transaction.

Canada's wheat crop is estimated at 168,384,000 bushels, or 47,696,000 bushels more than last year's.
